See you at the Fair!

The Caledonia Area Convention & Tourism Bureau is auctioning 8'x8' barn quilts to raise funds for promotion of travel and tourism in the area. Thanks to the sponsorship of five local businesses for materials and the labor of volunteer artists, auction proceeds will go toward local tourism efforts. These ready-to-install Barn Quilts will be on display in front of Caledonia Lumber on Highway 44/76 and sold individually via auction at the fair. For more information on the auction, please see the Houston County Fair Bulletin or email info@visitcaledonia.com.
